### News from the Chair

#### *Anniversary Celebrations*

I still feel as if we are keeping our fingers crossed and that it “will be all right on the night” but thanks to our hard-working team on the planning committee I’m starting to feel excited about our anniversary celebration day and really looking forward to seeing so many of you there along with your friends and family. I will be sending out one more email outlining what is planned for the day with some time slots where appropriate but as a little teaser the following groups are scheduled for the main auditorium: Play Pals, English Country Dancing, TAP, Sequence Dancing, Ukulele, Keep Fit and the Choir. In the foyer and stage 2 area there will be displays from other group – Art Displays, Italian, Photography, Cribbage, to name but a few. We are currently grappling with the welcome challenge of fitting everyone in!

So, log on to the website (with your membership number), go to the **Diary** tab and sign-up for the event on Wednesday 21st September, at the Stables Wavendon, main events 11.00am to 2.45pm.

#### *Third Age Trust – TAT*

As I hope you are all aware the Third Age Trust is effectively the umbrella organisation for all u3as, part of your annual subscription of £15 is used to pay membership fees to TAT and this supports a number of activities they provide to us from a central source. At this year’s TAT AGM, co-incidentally being held in Milton Keynes, the management board are proposing increases to the membership fee we will need to pay. As matters stand, and we still awaiting to see if there will be any amendments to the current resolutions, MKu3a will be voting against the proposals. We are carefully considering the various proposals being made and as always will endeavour to act in the best interest of our members. We are also very aware of the cost of living pressures impacting some of our members and will do our best to not pass on any increases to our members. If you wish to find out more about the proposals then information can be found on the TAT AGM website: <https://www.u3a.org.uk/events/agm-2022>, and of course you can raise any questions or points of view with myself or other committee member.

#### *Management Committee*

This seems to be a regular plea but in order for MKu3a to thrive and indeed remain in line with our constitution we need members to volunteer to be on our management committee as Trustees. We have an immediate requirement for a volunteer to come forward to take over the position of Vice chair, one of the four officers of our charity, and a further volunteer to support and shadow the secretary. Two of the current Trustees, the Chair and Membership Secretary, will be approaching the end of their three year term as Trustees and will be standing down at the next AGM. If you need any further information about any of these roles then please contact me.

### **Monthly Meetings and Talks**

## The Third Age Players

In case you haven't yet seen what the Third Age Players are up to, this is it: A Triple Bill on October Thursday 27th at 2.15pm, Friday 28th at 7pm and Saturday 29th at 2pm. Tickets are £7 for the whole lot! The venue is the new Great Linford Community Centre (MK14 5HH).

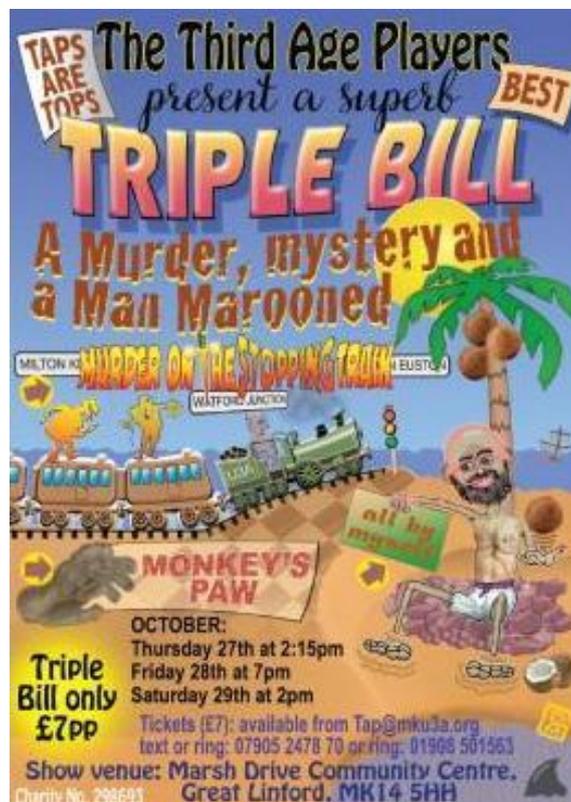

What are the three plays about?

***Murder on the Stopping Train*** (from Milton Keynes to Euston via Watford Junction) by Margot Lista is rather self-explanatory – you don't want to be a passenger ... but you might enjoy being an observer!

***The Monkeys' Paw*** is a classic thriller by WW Jacobs, adapted for our group by Margot Lista. Make sure you have a light meal beforehand as it grips your stomach and sends shivers down your spine! Lastly.

***All By Myself*** is a comedy by the award-winning Robert Scott – suspend disbelief as you are transported back to 1563 on a desert island, where its reluctant inhabitant(s) try to rub along together.

Seats are limited so book early! Ring Greta on 01908 501563 or text 07905 247870 for tickets or more details.

## Art Appreciation Group 1 looking for new members

Do you marvel at Michelangelo? Are you crazy about Klimt? Or does Banksy float your boat? Then why not share your enthusiasms with the Art Appreciation Group 1 who meet monthly on Tuesday afternoons?

Our new Autumn term session starts on Tuesday 13th September at 2pm in the MKu3a Kingston Meeting Room. The topic is the development of Welsh Landscape Art from the 1700s to the present day. We look forward to welcoming new members for a 'taster session'.

For more information email [artapp@mku3a.org](mailto:artapp@mku3a.org) or refer to the MKu3a website.

## Craft and Create Group – Proposed New Group

Do you have an interest in crafting or would you like to like to learn new skills? Would you like to join a group of like-minded people who like to create gifts, keepsakes or whatever their imagination can produce?

We plan to meet twice a month on the 2nd and 4th Tuesday in the month in a room at the Kingston Centre, where the MKu3a have their offices.

As crafting covers a wide range of activities, group members might like to work on their own projects or share their knowledge of crafts such as knitting, crochet or sewing with those who would like to learn. There may also be an opportunity to attend workshops on projects using textiles and hand sewing run by myself as I have been crafting for many years.

The idea of the group is to learn new skills, swop ideas, tips and encourage each other as we craft, create, chat and have fun.

Interested? Send your enquiry to the New Groups Facilitator, **Hazel Spencer**, at [groups@mku3a.org](mailto:groups@mku3a.org). When making your enquiry please share any skills you may have or may wish to learn.

## A Literature Class in Milton Keynes – September to December 2022

This class should appeal to MKu3a members who are keen on discussing good literature with a highly experienced tutor and a more structured format than is usually possible in book groups. The tutor, **Karen Hewitt**, taught regularly for Oxford University Department for Continuing Education, but a change of policy by OUDCE and the WEA has meant that she is now running these classes in Milton Keynes independently with a continuing group of about a dozen class members.

### *Literature and Science in the nineteenth century*

**The class** will study a number of significant works that bring together science and literature during this period: one of Goethe's Italian travel accounts, Mary Shelley's *Frankenstein*, Daniel Kehlmann's *Measuring the World*, Buchner's extraordinary play *Woyzeck*, Charles Darwin's *The Origin of Species* and readings from Laura Otis' OUP World's Classics anthology *Literature and Science in the Nineteenth Century*.

**Time and Place** The class will be held on Mondays from 10.00 to 12 noon **starting on 26th September 2022**. It will last for 11 weeks with a half term booked provisionally for 24th October. The class will be held in the comfortable **Methodist Church Hall in Stony Stratford**.
